Called

“Passionately Pink For A Cure”

Is a 12-week walking program (only walking counts) to help you lead a healthy lifestyle. During the program we will be providing you with a variety of educational sessions related to women’s health, weekly health tips, and increasing your awareness on the risks factors of breast cancer.

All you need to do is gather up your team of 10 women including yourself, designate a team captain and register on or before July 21, 2010 by 5:00pm. Call Amy at (309) 837-9951 ext. 211 to register.

This program is funded by the Ticket for The Cure funds and The McDonough County Health Department
